

# 10,000 Souls by the End of 2010

*Psalm 2:8 – Ask of me and I will give you the nations for your inheritance, and the uttermost parts of the earth for your possession*

As I was in Nicaragua last year holding our first gospel crusade this was my prayer, I said, "Father, if the church in America won't open their doors, then send me to the nations that are hungry for your presence. I ask for the nations Father." Well, the doors have been opening to the churches here in America and we have been seeing God pour out His Spirit and ignite the fires of revival, but we also are getting calls to go to the nations.

We not only want to see revival break in North America but see a great harvest of souls from throughout the nations of the world. God has honored my cry and since I prayed that prayer we have had invitations from **Nigeria, Uganda, India, and Pakistan, and more doors are opening.** They are asking us to come and hold outdoor miracle crusades in order to see thousands saved and churches started from those outreaches. We also have an opportunity to minister in churches in **South Africa.**

We believe that as we go we will see signs, wonders, and miracles confirm the preaching of the Word and mul-

titudes brought into the Kingdom and saved.

Our heart is for the nations so it is our goal to go to at least one foreign country a year. God has challenged us to believe that **by the end of 2010 we will have personally led 10,000 souls to Christ.** We also are believing that we will see over **100 remarkable miracles of blind eyes and deaf ears opening, mutes speaking, cripples walking, tumors disappearing, and the diseased made whole.** All of this is impossible in our own strength and power but with God all things are possible!!! It is not by might, nor by power, but by His Spirit!

So would you join with us in prayer believing that God will do all this and more through our lives? We need your prayer and financial support to see this vision come to pass because we cant do it without you. This year we are going to be taking a mission trip to **Haiti** in June, which is open to all of our partners, and we are planning to minister in **South Africa** this September and hold a crusade in **Nigeria** in November. We are greatly anticipating a mighty outpouring of God's Spirit in each place we go and we know that God will do exceedingly abundantly above all that we could ask or think according to the power that works in us!

## "The Kingdom of God is not in word, but in power" - MIRACLE TESTIMONIES

When we preach the gospel it should not be in mere words but in a demonstration of the Spirit and power so that your faith should not be in the wisdom of men but in the power of God (see 1 Cor. 2:4-5). A testimony we received during our ten days of revival in New Jersey is a perfect example of this. Every day during the week I was on the radio and would tell the people that we were going to release the glory through the airwaves. During one broadcast a woman called in for her husband who had severe pain in his ankle, so much so he had to walk with a cane and it was interfering with his work. She told us that she was a believer and went to church but her husband did not. When her husband got on the phone I told him to close his eyes and get ready to receive a miracle because God was going to touch him. I then began to command the pain to go from his ankle and spoke life and healing into his body in the name of Jesus. Immediately after I asked him to check his ankle. In a bewildered and amazed state he said,

"this is wild, there is actually no pain!" I then told him to put the phone down and walk across the room and back. He did so and reported that he could walk fine and had absolutely no pain. We hung up and then continued with the radio broadcast. A few minutes later the man's wife called back. She told us that her husband was being touched by the Holy Spirit and he was "freaked out" and needed to get saved. She put him back on the phone and he said with tears in his eyes, "I don't know what is happening, but it feels like there is heat on my ankle, there is no pain, and my whole body is shaking." He was feeling the presence of the Lord in an incredible way and I let him know that it was God who was touching and healing him and then was able to lead him to the Lord right there on the airwaves. He thanked me and said he would be coming to our service. The next Sunday he came with his wife, totally healed, and a new creation in Christ. As I look back I fully realize that his salvation had very little to do with anything I could have said but had everything to do with him encountering the Lord in power.

## Haiti Harvest 2008—BNM Mission Trip

Come with us to impact the nation of Haiti! We will be there with 20 other churches and ministries from June 2nd to the 8th. We personally will be over one church for the week and the ministry opportunities include Evangelism, Mercy Ministries, Construction, and a Major Worship Gathering in the National Stadium where thousands will gather with worship led by Paul Wilber.

**April 30th: Deposit of \$150 & Registration due**

**May 31st: Total Cost of \$495 + airfare due**

# Ministry Reports

**Bonita Springs, FL**—The last weekend in January we ministered at Temple of Glory International, a Spanish church in Bonita Springs, FL. The message emphasized releasing the glory outside of the church and bringing the gospel to the streets with signs and wonders. The presence of God fell in a powerful way and many were touched. A word of knowledge was given about someone with arthritis in the elbows. As we prayed over the man that came forward he was completely healed. He had no more pain and continues to have no pain to this day.

**Parsippany, NJ**—What was supposed to be three days of ministry in New Jersey turned into ten days of revival. The fires of revival fell in such an awesome way on Sunday morning that Pastor Edwin Blas of New Jerusalem Church felt impressed of the Holy Spirit that we could not end. We arranged for 7 more days of services and God poured out His Spirit in an incredible way. Everyday I preached on the radio and every night we held revival services. As I would get on the radio almost everyday I would let the people know that we were releasing the glory on the airwaves. People that needed a physical healing, a touch from the Holy Spirit, a financial breakthrough, or prayer for a loved one were asked to call in. We saw many that received miracles right over the radio and then came to the services during the week. At the end of 10 days and almost 20 services between radio and church we saw many get saved, many notable physical miracles of healing, and many people touched and baptized in the Holy Spirit

**Ft. Lauderdale, FL**— In March, April and I ministered for Evangelist Tom Scarrella at the Net Revival Meeting that is held once a month in Ft. Lauderdale. The message the Lord gave me was one of returning to our first love in order to do the first works out of Revelation chapter 2. It was about returning to a place of intimacy with the Lord in times of prayer and soaking in His presence that would result in a supernatural lifestyle of signs, wonders, and miracles flowing out of us. These are the first works that the church in Ephesus was told to return to. If you study the book of Acts when the Ephesian church was birthed it happened in the midst of the supernatural power of God being displayed in revival. As we prayed over each person that night the Holy Spirit descended in such a sweet presence. Practically everyone was on the floor out in the Spirit receiving a fresh touch of the Father's love drawing them into deeper intimacy with the Lord.

**La Belle, FL**—On Easter Sunday we were asked to minister at Life Ministries Church in La Belle, FL. It was truly a morning of resurrection power! I preached that we are to be witnesses of the resurrection, which shouldn't be just words we tell people when "witnessing" but bringing others into an encounter with the living, resurrected Christ. At the end of the service I gave some words of knowledge for sicknesses and we saw God heal people of fibromyalgia, a hernia, back pain, arthritis, and other infirmities. I then gave an altar call for salvation with about ten responding to give their lives to Christ. After that we prayed for everyone who was hungry for the anointing

and wanted to walk in the power to be a witness of the resurrection to come forward. Almost the whole church came forward and the Holy Spirit blasted them with an impartation of His power as we prayed.

**Ft. Myers, FL**—Also on Easter Sunday during the afternoon we ministered at the Upper Room Ministry in Ft. Myers, FL. We had a great time in the presence of God and many were hungry to enter into the presence of God and celebrate the resurrection of our Lord.

**Bayshore, NY**— From March 28th to the 30th I was on Long Island in Bayshore, NY ministering for three days of revival services at New Hope Church. On the first night the Lord had me speak the message he has given me for this season which is rebuilding the house of the Lord. I had preached on this many times before but it came forth with a fresh anointing and truly stirred the hearts of the people there to prepare a resting place for His glory. The next night we held a special service specifically for the youth. They were challenged to come out of Babylon and become the army of the Lord that He is raising up out of a valley of dry bones this generation is in. The presence of God fell in an awesome way during the altar time. I asked many of the young people what they were experiencing and many of them said they felt His fire and presence like never before as they shook and trembled. On Sunday morning the people were challenged to become naturally supernatural and they received a fresh impartation to walk in the power of the Kingdom.
